

## **Frank & Samina Khan**

**We are Frank and Samina from Yorba Linda, Southern California. Thanks for taking the time to read about us. We have been happily married for 15 years and our relationship has been built on trust, understanding and love. We would love to add and raise a child in our family. It would be a great honor and a most beautiful thing to raise your child. You can be rest assured that your child will have the most honest and loving environment a child can be raised in. Thank you for choosing us.**
