

Hello! We're the Morham's, Jim and Mabelle. Thank you for taking the time to read our profile letter and to learn a little bit about us. Choosing adoption for your child is a tough decision and we

want to thank you for being so brave and courageous in considering the adoption plan! We cannot fathom what it is you are going through, but marvel in the maturity and wisdom you have in exploring adoption for you and your child. We are receptive to having an open adoption and look forward to sharing special memories with you and your growing child, if that is what you desire. We would love to meet you!
