

## The Templetons

---

Hello! We are so grateful that you are taking the time to get to know us through this profile. Our home and our hearts are filled with love, and we would like nothing more than to share these things with a child. If you choose to give us the opportunity to raise your child as part of our family, we promise to provide the love, support, security and care that he/she deserves, and we promise that they will be our priority for the rest of our lives.

Please visit our website at <http://templetonprofile.shutterfly.com/> for more information.
