*Thank you so much for taking the time to review our profile. We hope this shows you a glimpse into our lives and provides you a good sense of who we are. We commend your courage in choosing adoption and acknowledge what a difficult decision this must be for you. Women like you make it possible for people like us to have our prayers answered and become parents. We would be honored if we were considered as adoptive parents for your child. We wish you all the best in finding the right adoptive parents for your baby.*
